**Roles and Responsibilities**

- To review and coordinate academic activities of the College.
- To ensure implementation of the Competency-Based Medical Education (CBME) curriculum and compliance with National Medical Commission (NMC) guidelines.
- To review departmental functioning and academic progress periodically.
- To plan and monitor academic schedules, assessments, and teaching-learning activities.
- To advise the College Administration on academic, clinical, teaching, research, and student welfare matters.
- To monitor quality assurance initiatives and recommend measures for continuous improvement.
- To review infrastructure, faculty, clinical material, laboratories, library, and other institutional resources as per NMC norms.

This Office Order shall come into force with immediate effect and shall supersede all previous orders issued in this regard to the extent of the above modification.
